Core NAICS: 238310 Drywall and Insulation Contractors

Capabilities Statement

The Seng Estate LLC | DBA Seng Estate Construction

Company Overview

Seng Estate Construction provides drywall and renovation services for commercial and residential properties and installs fireproofing in commercial buildings. We manage projects from estimating and scheduling through construction and the final walkthrough.

Core Capabilities

Nonstructural framing and drywall
Framing, drywall hanging and replacement, patching, and repairs for walls and ceilings.

Drywall finishing
Joint taping, compound application, and sanding to the specified finish.

Commercial fireproofing
Fireproofing installation in commercial buildings.

Bathroom and kitchen remodeling
Kitchen and bathroom build-outs and remodeling for commercial and residential properties, plus whole-home renovations.

Accessibility upgrades
Ramps, widened doorways, grab bars, and barrier-free showers.

Demolition
Demolition for renovation and build-out projects where neither abatement nor mold remediation is required.
